

THE UNIVERSITY *of* EDINBURGH

Edinburgh Award (Business School: Global Employability)

This award is given to students in the Business School whom the University has recognised for actively working to maximise their impact and excel in their own professional and career development. In successfully completing the Edinburgh Award, these students will have been helped to:

- increase awareness of their strengths
- make the most of their strengths, identify areas for development, and work on a plan to develop these skills
- confidently demonstrate what they have to offer to others
- achieve a positive and lasting impact
- look not only at their professional development, but also to capitalise on their experiences elsewhere to inform and enhance it, and *vice versa*.
