

THE UNIVERSITY *of* EDINBURGH

Edinburgh Award (Development and Alumni Student Callers)

This award is given to students whom the University has recognised for actively working to maximise their impact and excel as a student caller. These students have contributed enormously to the University community by engaging with alumni and raising money for priority areas.

In successfully completing the Edinburgh Award, these students will have been helped to:

- increase their self-awareness;
- make the most of their existing strengths and build new skills/abilities against clear development goals;
- understand the processes involved in having a planned positive impact and strategically working to excel, enabling them to have impact and make a difference whatever situation they are in; and
- look not only at their work, but also to capitalise on their experiences elsewhere to inform and enhance their role as a student caller, and *vice versa*.
