

THE UNIVERSITY *of* EDINBURGH

Edinburgh Award (Global Citizenship: off-campus)

This award is given to students whom the University has recognised for actively working to maximise their impact and excel through their role supporting Global Citizenship during a study abroad experience. These students have explored, reflected on, engaged with, and shared cultures during the different stages of their overseas adventure.

In successfully completing the Edinburgh Award, these students will have been helped to:

- increase their self-awareness;
- make the most of their existing strengths and build new skills/abilities against clear development goals;
- understand the processes involved in having a planned positive impact and strategically working to excel, enabling them to have impact and make a difference whatever situation they are in; and
- look not only at their contribution to student community, but also to capitalise on their experiences elsewhere to inform and enhance their role as a global citizen, and vice versa.
