

THE UNIVERSITY *of* EDINBURGH

Edinburgh Award (Resident Assistant)

This award is given to students whom the University has recognised for actively working to maximise their impact and excel as a Resident Assistant in University Accommodation. These students assist the Residence Life office in providing advice and support for students with regard to the process of independent living by hosting community building events and assisting with student welfare concerns.

In successfully completing the Edinburgh Award, these students will have been helped to:

- increase awareness of their strengths
- make the most of their strengths, identify areas for development, and work on a plan to develop these skills
- confidently demonstrate what they have to offer to others
- achieve a positive and lasting impact
- look not only at their Resident Assistant responsibilities, but also to capitalise on their experiences elsewhere to inform and enhance their role as a Resident Assistant, and vice versa
