

THE UNIVERSITY *of* EDINBURGH

Edinburgh Award (School of Maths: Community Engagement)

Badge description:

This award is given to students in the School of Mathematics whom the University has recognised for actively working to maximise their impact and excel in their community engagement role. These students have taken responsibility for researching, planning, designing, resourcing and running a community building events for their peers. These events are entirely student designed and student led.

In successfully completing the Edinburgh Award, these students will have been helped to:

- increase awareness of their strengths;
- make the most of their strengths, identify areas for development, and work on a plan to develop these skills;
- confidently demonstrate what they have to offer to others;
- achieve a positive and lasting impact; and
- look not only at their community engagement role, but also to capitalise on their experiences elsewhere to inform and enhance their role, and vice versa.
