

THE UNIVERSITY *of* EDINBURGH

Edinburgh Award (Students' Association: Student Staff)

This award is given to students whom the University has recognised for actively working to maximise their impact and excel as a member of the Students' Association Staff team. These students have been employed by the Students' Association as staff in a wide variety of roles committing to the values of excellence, endeavour and enhancement.

In successfully completing the Edinburgh Award, these students will have been helped to:

- increase their self-awareness;
- make the most of their existing strengths and build new skills/abilities against clear development goals;
- understand the processes involved in having a planned positive impact and strategically working to excel, enabling them to have impact and make a difference whatever situation they are in; and
- look not only at their responsibilities as staff in the Students' Association, but also to capitalise on their experiences elsewhere to inform and enhance their role as a Students' Association staff member, and *vice versa*.
