

THE UNIVERSITY *of* EDINBURGH

Edinburgh Award (Moray House Community Champions)

This award is given to students whom the University has recognised for actively working to maximise their impact and excel as a Moray House Community Champion. These students are pivotal in fostering a vibrant and supportive academic environment by actively helping their peers build meaningful connections and find their place within the school community through initiatives, activities and events:

In successfully completing the Edinburgh Award, these students will have been helped to: 

- increase awareness of their strengths;
- make the most of their strengths, identify areas for development, and work on a plan to develop these skills;
- confidently demonstrate what they have to offer to others;
- achieve a positive and lasting impact; and
- look not only at their role as a community champion, but also to capitalise on their experiences elsewhere to inform and enhance their role as champion, and vice versa
